

AD-RING

HDMI Adapter Ring

| HDMI

AD-RING is a stainless steel ring of HDMI adapters that attaches to your display cable so you can plug different presentation sources into the HDMI cable. Laptops, tablets, smart phones, digital cameras, and net books have a variety of connectors for displaying their content. AD-RING provides the presenter easy access to the appropriate adapter for connection to the HDMI infrastructure. This simple and effective solution supports mobile device content and keeps the adapters secure and in place for the next presenter.

* For easy installation or modifying AD-RING adapters please see Related Products

FEATURES

Secure your adapters with the cable clamp and security loop
