

# HDP-IHDP Interpreter headphones

www.boschsecurity.com

**BOSCH**  
Invented for life

- ▶ Wide frequency range for ensuring high-quality sound reproduction
- ▶ Comfortable fit and easy to adjust thanks to ultra-lightweight ergonomic design
- ▶ Hygienic and very easy to clean
- ▶ Stainless steel bow retains shape for lifetime
- ▶ Fully compliant with EN ISO 20109:2016

These stylish headphones for interpreters and participants ensure high-quality sound reproduction thanks to their wide frequency range. The ultra-lightweight, ergonomic design makes these headphones so comfortable to wear that you do not notice them, allowing for hours of use. Because these headphones can be used without ear pads, the earpieces can be easily cleaned at all times with a hygienic wipe, ensuring the upmost hygiene for participants and interpreters. When there is a need for even more comfort, it is possible to add ear pads to the headphone shells. The stainless steel spring bow retains its shape for the entire lifetime of the product. The headphones are extremely flexible and can be easily adjusted to various wearing positions.

## Functions

### Interconnections

- 1.5 m (4.92 ft) cable terminated with 3.5 mm (0.14 in) gold-plated stereo jack plug.

## Parts included

| Quantity | Component                       |
|----------|---------------------------------|
| 1        | HDP-IHDP Interpreter headphones |

## Technical specifications

### Electrical

|                          |                           |
|--------------------------|---------------------------|
| Impedance                | 32 ohms                   |
| Audio frequency response | 50 Hz- 18 kHz (+/-10 dB)  |
| Sensitivity              | 102 +/-3 dB (at 1 KHz/mW) |
| THD:                     | 1% at 1 kHz at 1 mW       |

### Mechanical

|                           |   |
|---------------------------|---|
| Dimensions                | 199 mm x 168 mm x 53 mm (7.83 in x 6.61 in x 2.08 in) |
| Diameter of ear caps      | 53 mm (2.08 in)                                       |
| Cable diameter            | 2.7 mm (0.11 in)                                      |
| Cable length              | 1.5 m (4.92 ft)                                       |
| Plug (stereo gold plated) | 3.5 mm (0.14 in)                                      |

|                     |                            |
|---------------------|----------------------------|
| Weight (with cable) | 122 g (0.27 lb)            |
| Color               | Black with stainless steel |
