

## Specifications for AV Series 26-port/24 PoE+ Gigabit Managed Switch

### Dimensions & Measurements

---

Height	4.44 cm (1.75 in)
Length	43.94 cm (17.3 in)
Max Power Consumption	337W
PoE Power Budget	250W
Product Weight	4.08 kg (9 lbs)
Switching Capacity	52 GBPS
Width	20.96 cm (8.25 in)

---

### Characteristics & Features

---

Ethernet Port Type	<ul style="list-style-type: none"><li>• 2 Uplink</li><li>• 24 PoE</li></ul>
Jumbo Frame Support	10056
Layer Support	<ul style="list-style-type: none"><li>• L2</li><li>• L3</li></ul>
Multicast	<ul style="list-style-type: none"><li>• IGMP v1/2/3</li><li>• Quierer</li><li>• Snooping</li></ul>
Number of Fiber SFP Ports	2
Number of Ports	24
PoE Self Healing	Per Port Basis
Port Location	Rear
Power Cord	<ul style="list-style-type: none"><li>• AU Cord</li><li>• EU Cord</li><li>• UK Cord</li><li>• US Cord</li></ul>
ProWatch Type	ProWatch Integrated

---

## Spanning Tree

- MSTP
  - STP. RSTP
- 

## SPF Port Type

2 x 1 Gigabit

---

## Switch Type

- Managed
  - PoE+
- 

## VLAN Compliance

802.1Q

---

## VLAN ID

4094

---

## Certifications & Warranties

---

### Certifications

- FCC
  - RoHS
-
