

**Ophit DDL-RX Optical DVI Extender (Receiver) Module/1.65 Gbps**

| <b>Parameter</b>        | <b>Receiver</b>                  |
|-------------------------|----------------------------------|
| Optical Converter       | 4 ch GaAs PIN photo Diode        |
| Input and Output Signal | TMDS Signal(DVI 1.0 standard)    |
| Video Bandwidth         | 1,65Gbps / Channel               |
| Module Size             | 39.5x15.0x70.0 mm(WxHxD)         |
| Module Weight           | 45g                              |
| Electrical Connector    | 24 PIN DVI-D Plug(output)        |
| Optical Connector       | 1x4 LC Connector                 |
| Recommended Fiber       | 50/125 nm Multi-mode glass-fiber |
