

# AG Neovo DR22 22in Full HD Display for professional dental environments

Featuring NeoV™ Optical Glass and neat white metal housing, the DR-22 is able to withstand cleaning agents for easy hygiene maintenance. On top of LED-backlit Full HD resolution and AIP technology for clear image details, it comes with illuminator mode that allows convenient X-ray film viewing. The DC 24V medical grade power supply assures not only safety but stable image presentation in professional dental environments.
