

Soundtube IPD-RS62-EZ-BK 6.5 inch Coax Open-Ceiling Network Speaker/Black

Dante®-addressable coaxial pendant speaker incorporates one 6.5 inch (165 mm) coaxial driver with BroadBeam Ring™ technology for consistently smooth high frequency. Low latency digital audio, power, and control are delivered to the speaker via standard category cable; connection is made on the other end to the STNet-Switch or other PoE / PoE+ switch. May also be powered via a 24V DC barrel connector for non-PoE installations. Configuration and zoning of the speaker are accomplished via software. Includes hanging hardware with galvanized steel cables and hanging bracket for fast, easy and secure installation. Unit may be hung or mounted directto-conduit via locking cover plate. Enclosure constructed of injection molded ABS with glasber reinforcement for lasting durability in indoor or outdoor applications. Aluminum grille with protective powder coated finish. Unit ships in ecofriendly, recyclable packaging. UL 1480 UEAY, UL 2239 and EN54-24:2008 planned. Included accessories: hanging hardware, weather plug, cover plate, AC-RSEZHH-10, and AC-RSEZHH-10.
