

# Turbosound TCS122-FP-R Fly Plate Kit for TCS122 Loudspeakers/Weather Resistant/Black

The TCS122-FP-R consists of a pair of stainless steel weather resistant fly plates specifically designed for flying TCS122 weather resistant cabinets. The matt black powder coated fly plates feature recesses that accept TCS-FK1-R inter-cabinet couplers, with all being secured to the cabinet using the four M10 bolts and spring washers supplied with the fly plate kits.

A complete TCS122-FP-R kit is required for each TCS122 cabinet that is to be arrayed

## Features
