

Gefen CAB-HDMI-50MM HDMI Cable 50 ft (M-M)

Copper Based HDMI Cables available in 1, 6, 10, 15, 30, 25 and 50 Feet, make your selection above.

Copper based cables with lengths of 1, 6, 10, 15, 25, 30 and 50 feet. The 1-30 foot HDMI cables support the following resolutions: 480i, 480p, 720p, 1080i, 1080p. The 50 foot HDMI cable support resolutions up to 1080i. These cables are HDCP compliant. With a HDMI Booster the 40 and 50 foot cables are good for resolutions up to 1080p.

HDMI is a much smaller and user-friendly connector than the DVI connector. The specification handles high-bandwidth, uncompressed video and multi-channel digital audio as well, all in one cable.
