

Gefen ADA-HDMI-FF HDMI Mate Adapter w/ Mono-LOK

HDMI Female to Female Adapter with Mono-Lok Provides a simple, economical adaption from a HDMI female connector to a HDMI female connector with Mono-Locking features, enabling flat panel digital display extension (when the flat panel display has an attached male-HDMI terminated connector cable). With the HDMI Mate, any HDMI cable (with male to male connectors) can be converted to a female connector in order to be extended.

Features:

- Easily connect two HDMI cables together

Specifications:

- HDMI Connector: HDMI Type A 19 pin female, HDMI 1.3
- Dimensions: 1.6" x 1.3" x 1.3"
- Shipping Weight: 1lb.
