

Gefen CAB-MDPUSB-10MF Mini DisplayPort and USB Combo Extension Cable 10ft

DisplayPort Cables - Mini DisplayPort to USB Combo Cable

Extend both USB 2.0 and a MiniDisplayPort connection to remotely operate your computer or to send the local display to a remote DisplayPort output device.

Mini-DisplayPort is a miniaturized version of DisplayPort, the newest digital display interface standard from the Video Electronics Standards Association (VESA). Major-brand computers are now being manufactured with a Mini DisplayPort output connector.

Gefen Mini DisplayPort to USB Combo Cables support all computer video resolutions- up to 3840x2400x60Hz.
