

HuddleCamHD HC12X-HUDDLEVIEW 2.14MP Auto-Framing 12X Optical Zoom IP Streaming 3G-SDI/DVI-D/USB3.0 Camera

Enjoy the highest quality video conferencing experience with zero setup. The HuddleView simplifies your meeting your experience by automatically zooming into the people in your conference room and comfortably framing your video output for the ideal video.

Your Conference Room is Ready

The HuddleView uses artificial intelligence to make sure all of your participants are being captured by the camera with no interaction

Camera Setup Time = Zero

Eliminate the setup and have your meeting room camera zoom into to capture everyone in full detail without a remote.

Universally Compatible

All HuddleCamHD cameras have been designed for plug and play compatibility with web-based video conferencing software such as: Skype, GoToMeeting, WebEX or Zoom. Enjoy seamless integration even with live streaming applications such as Facebook Live.
