

OWI MRP6715B 6 inch 2-Way 70 Volts 2.5-15W Mesa Rock Speaker/70Hz-20kHz/Brown

The MESA ROCK speakers are realistic recreations of rock patterns, colors and shapes. Every hand painted rock speaker is made in the USA of glass fiber reinforced concrete that is cured for 25 days. L.A. Rockers are UV-resistant, bug, puppy and lawnmower proof and can withstand hundreds of pounds of standing weight. For added security, they have a built-in security cable attachment ring. The speakers carry a 5 year warranty and sound just as great as they look.
