

Gefen EXT-VGA-141LR VGA/Component Video Extender(Receiver/Sender) Kit Up to 330ft

Extends any VGA or Component HD display using a Single CAT-5 cable up to 330 feet from your HD source.

How it works: The VGA Extender LR sender unit connects to your source using the supplied cable. The receiver unit connects to your display - up to 330 feet away. One CAT-5 cable connects the sender and the receiver to each other, extending your video flawlessly.

Features:

- One CAT-5 cable for extension
- Maintains 1920 x 1200 x 75 resolution video
- Installs in seconds
