6U Rack Mount for NetworkHD™ 100/200/400 Series Products

NHD-000-RACK2

WyreStrm®

Specification Sheet
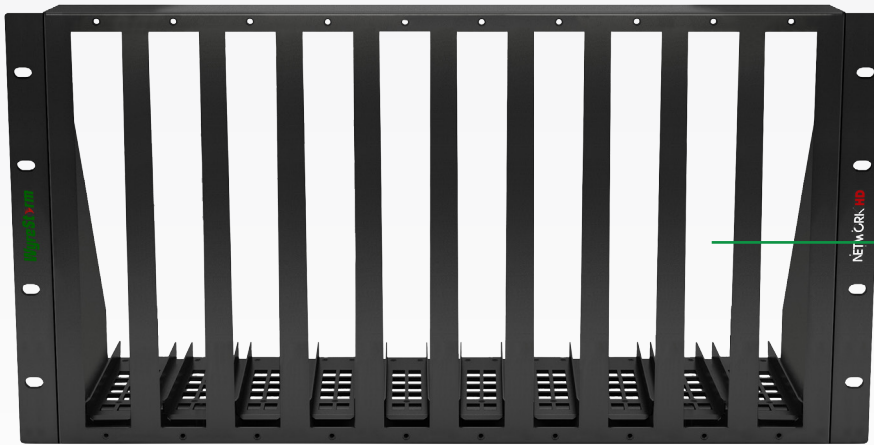

NETWORK HD

10 Slots for any combination of NetworkHD 100/200/400 Series Encoders, NHD-000-CTL Controller and ENA-MINI-010 Enado Mini IP Control solution

WyreStorm - Because the Technology Matters.

Introduction

The NHD-000-RACK2 is a 6U rack mount that provides a clean installation for up to 10 NetworkHD™ 100/200/400 series encoders. Mounting brackets for all encoders as well as NHD-000-CTL NetworkHD controller and an ENA-MINI-010 Enado mini IP Controller are also included allowing for all required devices to be installed in a single location.

Keeping your components safe and sound is vital to any successful installation and the NHD-000-RACK2 does just that with a steel housing designed for rack-mounting multiple devices within a central location for a secure and organized rack solution for any NetworkHD installation.

Key Features

- Compact, steel, 6U 19" rack mount for up to 10 NetworkHD 100/200/400 series devices
- Supports NetworkHD 100, 200 encoders & 400 series decoders plus NHD-000-CTL and Enado Mini controllers
- Provides ideal component heat dissipation and airflow - a key factor in increasing reliability and product lifespan
- Pre-build the system into the NHD-000-RACK2 prior to arriving on site to improve speed and efficiency of installations

- Specifically designed for organizing NetworkHD 100, 200 and 400 Series components within main rack location
- De-clutters rack, improves cable management, port identification and unit access
- Vertical slot installation supports any combination of up to 10 components
- Strong, steel enclosure construction keeps hardware secure and protected
- Units secured via brackets, rails and front panel screws
- 6U height

In the Box

1x NHD-000-RACK2 Chassis
2x Rack Mount Brackets
10x NetworkHD 100/200 Series Mounting Plates
10x NetworkHD 400 Series Mounting Plates

1x NHD-000-CTL Controller Mounting Plates
1x Enado Mini Controller Mounting Plate
6x Blank Plates
Assorted Screws to Attach Brackets and Plates

Specifications

Dimensions and Weight	
Height	10.47in/265.9mm
Width	482.6mm/19.0in
Depth	140.2mm/5.52in
Weight	7kg/15.4lbs
Slots	10
Compatible with:	NetworkHD 100/200/400 Series Encoders NHD-000-CTL Controller ENA-MINI-010 Enado Mini IP Control solution
