

## Covid CVA0200-12-1KR 12-2/Unshielded Speaker Cable - 1000ft Reel

| <b>Construction</b>                 |   |
|-------------------------------------|---|
| Conductor                           |   |
| Number:                             | 2 Conductor                                       |
| Material:                           | 12 AWG (65/30) Bare Copper Tinned Stranded Copper |
| Color Code                          |   |
| Pair#1:                             | Black   |
| Pair#2:                             | Red   |
| Insulation                          |   |
| Material:                           | Polyvinyl Chloride                                |
| Jacket                              |   |
| Material:                           | Polyvinyl Chloride                                |
| Color:                              | Black   |
| Thickness:                          | 0.037 in. Nominal                                 |
| <b>Electrical Characteristics</b>   |   |
| Operative Voltage:                  | 300 V.  |
| Max Conductor DC Resistance @ 20°C: | 1.72Ω/1,000'                                      |
