

Electro-Voice RE2COMBOCG RE2 Series Wireless Combo Uni-directional Lapel/Dynamic Cardioid Handheld System G-Band (614-642 MHz)

RE2 Series Wireless Combo Uni-directional Lapel / Dynamic Cardioid Handheld System G-Band (614-642 MHz, ULM-21 element, N/D 267 element)

System includes: Receiver + N/D267a Handheld + Bodypack Transmitter + ULM21 Lavalier mic

N/D267a Handheld

RE2 Series Wireless Dynamic Cardioid Handheld Transmitter Only A-Band (648-676 MHz, No Rx, N/D 267a element)

Features

- N/DYM 267a Dynamic element
- Internal 1/2 wave antenna

Benefits:

- Fits the vocalist's style and environment
- Classic dynamic sound and performance in applications ranging from rock and roll to spoken word
- Low handling noise, crisp condenser sound and off mic performance. Perfect for schools, houses of worship and any other multitasking application.
- Excellent sound and gain-before-feedback for high SPL stages
- Excellent range; stays out of harm's way

ULM21 Lavalier mic

The Electro-Voice® model ULM-21 is a miniature cardioid, electret condenser lavalier microphone. It is designed for unobtrusive miking of speech and instruments, making it an excellent choice for use in many broadcast, stage performance, and presentation purposes. Its small size makes the ULM-21 ideal for theatre, interviews, public address systems, and houses of worship, utilizing its cardioid polar pattern for high gain before feedback. The ULM-21 condenser element provides clear and natural sound reproduction, minimizing wind noise and popping with use of the supplied windscreen.

Features:

- Back-electret cardioid microphone
- Clothing clip attaches at microphone body to maintain cardioid pattern
- Integrated 6-foot (180cm) cable
- TA4F connector is compatible with all EV bodypack transmitters
- Use with TXA for wired XLR applications

Bodypack Transmitter

Features

- Unique "smart" battery
- LCD Displays Group and Channel, Frequency, or Battery Level
- Low battery LED
- One On/Off button that also acts as a mute
- On/Off button can be disabled
- Cell phone style beltclip
- Optional pouches available
- A wide selection of lapel and headworn microphone accessories are available

Benefits:

- Impossible to put the battery in wrong, great for quick changes on a dark stage
- All the info you need at a glance
- Tells you when to change the battery
- Great for pauses in presentations and worship services
- Prevents accidental turnoffs during a performance
- Offers quick and easy attachment
- For use under costumes or for more vigorous applications like aerobics
- So you can select the microphone suited to your application
