

Aurora Multimedia DXB-8-B 8-Button Backlit Wall Control Panel Black

DXB-8

The DXB-8 is a low cost 8 button single gang button panel. Designed to work with just about any RS-232 device on the market, the DXB-8 allows any RS-232 string to be assigned to the press and release of each button. Even repeat on hold is available. The buttons can individually be lit red, green, or blue so in dimly lit areas it can be seen. Available in Decora white or black, the DXB-8 is designed to match. Low cost, low power, simplicity, and compatibility with just about any device on the market makes the DXB-8 the simple sweet solution of choice.

DX Interface is available for easy programming of the DXB-8 via the customer portal.
