

## **Atlona AT-PA100-G2-b Stereo/Mono Audio Amplifier**

Please **NOTE**: This listing is for **B-Stock** item. It means that this unit was refurbished by manufacturer and holds full manufacturer warranty, however it may have scratches, signs of wear and tear or come not in original box.

### **Atlona Stereo/Mono Audio Amplifier**

Small, energy efficient, and affordable, the Atlona Stereo/Mono Audio Amplifier fits the needs of most offices, classrooms, and more. Unlike traditional A/B amplifiers the Class D audio amplifier is energy efficient and easily integrated behind a TV where space is limited. Compatible with AT-PA1-IR

### **Sometimes a "D" is better than an "A"**

Requiring less power, class D amplifiers use an efficient design that reduces size and cost. By removing the need for large space consuming heat sinks and power regulators, the PA100-G2 becomes easy to integrate with a small size that can fit into most spaces.

### **Use ALL the MICs**

Using a captive screw connector and a 3 mode switch, the AT-PA100-G2 changes to meet your needs. Whether its a condenser, dynamic, or wireless MIC the PA100-G2 adapts to you.

### **Your control needs**

Fully adjustable, the AT-PA100-G2 has three control options: RS-232, IR, and Panel Buttons. Built to suit your control needs, adjust the MIC and Line volume or the Bass and Treble levels using the control system you want.

### **You are the experience**

Become part of the audio with a built in MIC mixing feature. Simply speak into your MIC and hear your voice along with the line audio. With only 1ms delay in MIC detection, have no noticeable lag between your words and the audio coming from the speakers.
