

Soundtube RF31-EZ-T-BK 3-IN PREMIUM FULL-RANGE SPEAKER W 10 W TRANSFORMER/Black

This listing is for RF31-EZ-T-BK - black color

The RF31-EZ-T is a premium full-range 3-inch speaker with a 10 W transformer for applications requiring 25, 70, and 100-volt audio solutions. The RF31-EZ-T mounts in most dual-gang junction boxes. The RF31- EZ-T incorporates a low-profile grille with a total visible footprint of 4.75-inch square for ultra-compact installations. All exposed components in the RF31-EZ-T are completely weatherized for indoor and outdoor applications.

Features

- One 3-inch full-range high-excursion, weather-resistant, high-fidelity polypropylene driver with butyl rubber surround and neodymium magnet.
- Integrated 10w transformer
- Rapid installation into dual-gang junction box using four stainless steel screws (junction box not included).
- Ultra-compact design with a total visible footprint of 4.75-inch square.
- Weatherized components for indoor/outdoor applications.
- Corrosion-resistant, powder-coated aluminum grille with snap fit attachment.
- UL 1480 (UEAY) listed.
- High-quality white paint finish grille.
- Included accessories: Paintable white aluminum snap-on grille, paint mask, and four stainless steel mounting screws
- Optional accessories: Black replacement grille (GRL-RF31-BK), theft-resistant stainless steel grille (AC-RF31-TRG) and 10-inch powered subwoofer (SM1001p).
