

## **Hall Research C-HDMI-L-1.5 1.5ft Locking HDMI Cable**

1.5 foot Locking HDMI to HDMI cable

Secure HDMI cables in place with our locking HDMI cable. The plug is compatible with any HDMI receptacle with the option to secure the connectors to products with locking receptacles. Each plug features two folding tabs for flexible mounting options either from the top or bottom of the receptacle. The cable sheath is braided nylon for ultra durability.

### **Features**

- Great for displays that move or tight environments!
- Secure locking mechanism for trouble-free installations
- Folding tabs on top and bottom for universal mounting options
- Braided nylon cable shield for durability
