

Galaxy Audio LA4B 4-4.5 inch 16 Ohm Line Array Speakers/Pole Mount/125W/Black

The Galaxy Audio LA4 Line Array is designed to take advantage of the unique sound dispersion characteristics of multiple stacked drivers. Line Arrays are becoming increasingly popular for both permanent installations and portable PA because of their ability to provide very targeted sound, even in acoustically challenging rooms. The LA4 is rated at 125 watts @ 16 ohms.

Standard LA4 features

Four 4.5" speakers and is wired as a 16 ohm cabinet with a pair of ¼" - Twist Lock combo inputs and a socket for mounting on a speaker stand. The LA4 is perfect for live sound such as AV presentations where there is a need to control the sound dispersion.

- Mounts on a speaker stand
- 2- ¼"/Twist Lock inputs
- Solid wood construction
