

Shinybow SB-2B 2 ATLONA SPEAKER BRACKETS (BLACK & WHITE)

2 Atlona Speaker Mounts (Available in Black or White Color)

Description:

Atlona speaker mounts are compatible with many major speaker system brands in home theater equipment. Perfect for small and medium sized satellite speakers. These speaker mounts have a 4-axis tilt, pivot and rotational adjustment to position speakers at their best. Key-hole adapters and extensions are included for mounting speakers from the wall or ceiling. Brackets hold up to 10 lbs.

Features:

- 4 axis tilt, pivot and rotational adjustments.
- Mounts on wall or ceiling.
- Universal bracket accommodates most speakers with one or two mounting key-holes.
- Weight Capacity: 10 lbs.
- Package consists of 2 mounts.
- Screws and adapters are included to accommodate most speakers, walls and ceilings.

Package includes:

- (2) Speaker wall/ceiling mounts
- (2) Ceiling Extensions
- (2) 2/4-hole adapters
- (2) 1-hole adapters (Bose® compatible)
- Installation hardware
