# SunBriteTV DS-5518P-BL 55 inch Pro Series Direct Sun Outdoor Digital Signage

The NEW 25% slimmer, SunBriteDS 55" Pro Series all-weather, direct-sun tolerant digital signage display- in portrait mode!

Ultra-bright screen and engineered for permanent outdoor placement. The 55" DS- 5518P is a rare, hard-to-find portrait-mode outdoor signage display ready-to-work in all weather conditions. Its anti-glare protective glass & powder-coated rust- proof aluminum exterior makes this model a sturdy audio-visual solution for high- traffic, outdoor venues.

Connect with your customers, guests or clients with way-finding maps, video or promotional materials displayed on SunBriteDS< outdoor screens designed for permanent outdoor placement. >

The DS-5518P is direct-sunlight readable featuring EST technology - Enhanced Solar Tolerance - to guard against isotropic blackout (dark spots that can occur with LED screens directly face the sun).

The all-weather 20WATT speaker bar is optional.
