

Kramer KT-107S Secured 7-Inch Wall/Table Mount PoE Touch Panel

KT-107S is a highly secured 7-inch IPS multi-touch, powerful touch panel with 1280x800 resolution. Elegantly designed for decorative room integration, this portable touch panel can be deployed either tabletop or on-wall, mounted inside standard in-wall junction boxes. KT-107S supports wired Power over Ethernet (PoE) resilient connectivity. The touch panel comes with table and wall mounts for easy installation, secured mounting, and flexible deployment. The KT-107S is an Android-based touch panel that is ideal for any 24/7 Kramer-supported commercial AV or control application and features a user-friendly, fully customizable graphical user interface configured by Kramer software.

Features:

- High Security Operation — Touch panel specially designed for highly secured deployment applications, with no camera, microphone, Wi-Fi and Bluetooth wireless connectivity.
- Elegant Design — Smooth integration with room furniture design, either on table or wall, with flexible panel cabling and locking design options.
- Easy Installation — Single Ethernet cable for connectivity and powering, flexible package-included table and wall mounts that fit into standard market-available 2-gang in-wall junction boxes and simple wired USB peripheral add-on connectivity to either mounting options with package-included USB cable.
- Reliable Operation — Seamless, non-service affecting switching between PoE, PSU and battery powering resiliency options.
- Secured Deployment — Flexible, invisible panel and mounts, screwing and locking options to prevent unwanted displacement, secured applications operation with various unauthorized exit protection options.
- Hi-quality User Experience — IPS 1280x800 hi-resolution screen with $\pm 80^\circ$ horizontal and vertical wide viewing angles, built-in lighting sensor for auto-adaptable brightness, with advanced 10 multi-touch points and 2 finger gesture capabilities.
- Powerful Processing — Quad-core CPU, GPU, 2GB RAM, 16GB ROM processing performance, smoothly running complicated media and graphics rich applications, such as H.265 video and audio streams encoding and decoding.
- Flexible Services — Advanced Android 6.0 Operating System with rich Kramer and market-available applications from cloud/store offerings, such as K-Touch Control and EventBoard Scheduling applications.
