

Bolin Technology EX1030SHD-S-L5SA1 IR Laser Dual Output SDI PTZ Camera for Security use/30 Optical Zoom

IR Laser Dual Output SDI PTZ Camera for Broadcast use/30 Optical Zoom

Features

- SDI video output ONLY model.
- SDI video resolution supports up to 1080p60, 1080i59.94.
- Zoom: Optical 30X, Digital 12X
- Control supports PELCO D/P RS485, IP/Onvif, VISCA RS422
- Extreme quiet and smooth PTZ movements.
- The speed of Pan, Tilt movement, Preset is adjustable.
- True WDR: 120dB
- Design for extreme weather use: IP67 rating. Corrosion Resistant treated housing for salt spray environment. Wind Load Durability: 60m/s, Nitrogen Filled Housing, - 40°C to +60°C operating temperature.
- ZDP - Zero Deviation Positioning for high accuracy
- Adaptive IR Laser Illumination, distance up to 500M.
- Power: 24VAC, PoE (80W)
- Models of Class S for Security or Other use ONLY has 1080p SDI format.
