

Gefen EXT-APPLECOMBO-DL-10 10ft Dual Link Apple Combo Extension Cables

This active solution extends the new Dual Link DVI Apple displays with Firewire and USB up to 15 feet (3 meters) from the computer. Gefen supplies this custom cable as a "plug and play" solution.

Features:

- Extends DVI displays such as the 30" Dual Link DVI Apple Cinema Displays.
- High-quality, multi-shielded wires prevent signal degradation issues.

Specifications:

- Supports resolutions up to 3840x2400
- DVI-D connectors (M-M)
- Shipping Weight: 7 Lbs.
