

Atlona AT-HD-V81 8x1 HDMI 1.3 Switch with 3D Support

8x1 Atlona HDMI 1.3 Switch with 3D Support. Model: AT-HD-V81

Atlona AT-HD-V81 is a High Performance HDMI 1.3 switcher with remote and RS232 command port. The Atlona switcher is equipped with HDMI reclocking technology which allows user to use long distance HDMI cables on the inputs and output. If your cable over 15ft distance then with regular switch you would get signal degradation; however with AT-HD-V81 signal can will be amplified to go over 60ft.
