

## **Atlona ATS21056 ATLONA 0.3FT RCA MALE TO DUAL RCA FEMALE SPLITTER CABLE**

### **0.3ft RCA male to Dual RCA female Splitter Cable. Model: ATS21056**

RCA Splitter Cable is specifically designed for audio and video applications where splitting of the signal is required. Primarily used in audio applications to connect a stereo cable to a mono equipment, such as mono VCR&39;s. The cable can be also used in low quality video applications, such as splitting Composite Video cable.

#### **Cable features:**

- 24k Gold plated connectors, to provide static free signal transfer
- High-Density Copper Braid along with 100% Aluminum foil shield for maximum reduction of interference
- High-Flex Technology, to provide great audio performance in any cable shape
- High-Purity Oxygen-Free Copper conductor to eliminate signal degradation
