

TASCAM CS-DR680 Carrying case for DR-680

The CS-680 protects TASCAM's DR-680 multichannel portable recorder from the elements while on location. The padded case has individual velcro straps to expose only what's needed. A clear plastic flap covers the top panel of the DR-680, protecting it from the elements.

A pocket is provided to store extra batteries and other accessories for the DR-680. The pocket includes two slots for storing additional SD Cards.
