

# SECO-LARM E-931-S50RRGQ Reflective Photoelectric Beam Sensor/ETL UL325-2016 Compliant/50ft

Reflective Photoelectric Beam Sensor/ETL UL325-2016 Compliant/50ft

## Features

- For outdoor gates, garage doors, etc.
- Weatherproof (IP55) construction for indoor/outdoor use
- Anti-condensation housing
- Dual-color LED alignment system
- Form C relay: 500mA@30VAC/VDC
- Tamper switch: N.C. 500mA@30VAC/VDC
- 3 1/4" (82mm) Round reflector included
- Compact size
- Monitored output: N.C., 10k $\Omega$  Resistor

## Typical Applications

- For garage or overhead doors, outdoor gates
- Industrial automation: detect objects on manufacturing line
