

SECO-LARM E-936-S35RRGQ Reflective Photoelectric Beam Sensor - ETL UL325-2016 Compliant/35ft

Reflective Photoelectric Beam Sensor - ETL UL325-2016 Compliant/35ft

Features

- Up to 35ft (11m) sensing range
- Weatherproof (IP66) construction for indoor/outdoor usage
- Pre-wired 6-foot cord
- Bracket and mounting hardware included for both sensor and reflector
- Adjustable sensing range
- Compact size
- Monitored output: N.C., 10k Ω resistor
