

AJA PAK256-R1-b 256GB SSD for Ki Pro Quad

AJA's Pak256 256GB SSD for Ki Pro Quad is a high-capacity SSD for recording 4K, 2K and HD video on AJA's Ki Pro Quad recorder. The drive is encased in a rugged protective housing designed to withstand repeated use in the field. For offloading recordings, the drive inserts into an optional AJA Pak Dock that outputs by Thunderbolt or USB 3.0.
