Features

- Detachable, interchangeable connectors
- DVI-D single link active optical cable
- Supports HDTV resolution up to Full HD 1080p
- No external power required
- High pulling strength & compression load
- Plenum rated
- 5mm bend radius
- Small, light-weight, flexible and easy to use

Why Use This Covid Cable?

Flexibility: The Covid AOC DVI cable offers an extremely tight bend radius of 5mm. In addition this cable is thin, light weight and much more flexible than traditional copper cables.

Detachable Connectors: Unique to this cable are the detachable connector heads making it easy to pull through tight spaces or even conduit. Easily interchange the connectors with DVI or HDMI utilizing the same fiber cable.

Resolution: The AOC DVI cable is the perfect choice for high resolution DVI applications.
