- EDID, CEC, HDCP compliant
- No external power required
- High pulling strength & compression load
- Plenum rated
- 5mm bend radius
- Small, light-weight, flexible and easy to use

Why Use This Covid Cable?

Flexibility: The Covid AOC HDMI cable offers an extremely tight bend radius of 5mm. In addition this cable is thin, light weight and much more flexible than traditional copper cables.

Resolution: The AOC HDMI cable is the perfect choice for high resolution digital video applications. The cable supports resolutions up to 4K@30Hz at 328ft.

Lightweight: These HDMI cables weigh less than copper cables, making them a great option for ease of installation and when shipping costs are a concern.

Applications

HDMI Cables are typically utilized in the transmission of high definition content. These cables are capable of transmitting both audio and video signals and are used on equipment such as computers, DVD players, projectors or monitors.
