

Turbosound iP82 2 Way 8 inch Full Range Loudspeaker for Portable PA Applications

The 2-way full range iP82 is a passive 600-Watt 8" loudspeaker system ideally suited for a wide range of portable speech and music sound reinforcement applications. The iP82 provides optimal performance as a FOH satellite speaker when used with our iP12B and iP15B active subwoofers. The versatile iP82 is also an exceptional choice for sidefill, stage lip, balcony and delay line applications – and is perfect for small to medium-sized performance venues, such as house of worship, boardroom, nightclubs, and much more.
