

SunBriteTV SB-WM-T-L-BL Outdoor Weatherproof Tilt Mount for 37-80 inch TV Screens and Displays

This resilient, all-weather tilt mount pairs perfectly with SunBriteTVs. Tilts 13-degrees forward to 8-degrees back.

Weatherproof Coating

This mount is primed with a dependable powder coating, as well as two layers of a durable, corrosion-resistant coating for added protection against scratches. Plus, stainless steel hardware means you’ll never have to worry about rust.

Post Install Leveling

We understand the pain of having to re-level an installed mount, so this mount includes post-install leveling screws for last minute adjustments.

Solid Construction

Underneath a beautiful black powder coat is solid steel, so you know that when you mount your TV, it’s there to stay.

Slimmed Down

Our wall-hugging mount features a low profile feel and minimal mounting depth of 2.25".
