

Electro-Voice PCSATELLITE12 Dual Condensator Multi-Pattern Wireless Gooseneck Microphone (12 inch)

Dual Condensator Multi-Pattern Wireless Gooseneck Microphone (12")

Key Benefits:

- Frequency Response 50Hz to 20kHz
- Omnidirectional, Cardioid, Supercardioid & Hypercardioid patterns
- Mic on / off switch & Mic status LED
- Note: Need wireless receiver

The PolarChoice™ Satellite is a free-standing gooseneck style microphone, firmly anchored in place by its' elegantly designed base. This low-profile foundation hides PolarChoice™ Satellite's most powerful feature - space for a wireless transmitter. Turn the base over to reveal the specially designed compartment for housing a Telex or Electro-Voice bodypack transmitter. Connect the microphone to the bodypack, set-up the wireless channel, and place PC Satellite anywhere an easy-to-use microphone is required. No longer do you have to cut holes in tables, run long cables, or compromise the architectural integrity of an installation. With the Polar Choice™ Satellite, anything is possible.

The PC-Satellite features an EV PolarChoice™ multi-pattern microphone. The multi-pattern versatility of the PolarChoice™ microphone makes it a true "problem solver". With one non-directional and 3 directional polar patterns available, the PolarChoice™ microphone is ideal for virtually any installation. The PC-Satellite also includes a switchable high pass filter that greatly reduces any vibration induced noise pick-up.

Features:

- Free-standing weighted base for reliable stability.
- Accepts Telex & Electro-Voice bodypack transmitters (RE-1, RE-2, FMR-1000, FMR 500 & Safe-1000)
- Easy to use mute switch. Can be programmed to operate as either latching on/off or momentary push-to-mute.
- High visibility blue LED clearly displays mic status to the user.
- Exceptional sound quality with EV's proven PolarChoice design.
- Selectable polar pattern to easily adapt to any situation. Choose between omni, cardioid, supercardioid or hypercardioid.
- Consistent microphone voicing across all four patterns.
- Length: 12".
- Wireless system sold separately
