

## **Electro-Voice EVIDS44W Wall-Mount Background Music Speaker System Package (White)**

**Wall-mount Background Music Speaker System Package (White) Includes: - 4x EVID-2.1W Surface mount satellite speaker - 1x EVID-40SW Surface mount subwoofer**

The EVID Compact Sound Speaker System is a very compact full-range loudspeaker ideal for applications requiring high-quality sound. Its shape flexibility and size make it nearly invisible for use in background/ foreground music systems for restaurants, bars, patios, retail, and other applications. The system consists of a high performance 8-inch subwoofer module with a crossover network to support the included four (4) 2-inch satellite speakers. The system provides for easy signal connections at the subwoofer and can support either 4/8 ohm or 70/100v signal connections. Its high power handling allows the system to be used in a wide variety of environments and spaces to provide high quality background or foreground music.

### **Features:**

- A complete matched background/foreground music speaker solution.
- Large 8-inch (200 mm) woofer transducer for substantial low frequency output.
- Direct connection of satellites to subwoofer - simplifies installation wiring.
- Mounting brackets with wide range of motion for surface mount satellites provide easy and secure mounting of speaker to wall.
- Convenient detachable phoenix style signal connections speed up installation time.
- Color: White
