

Electro-Voice 635L/B Dynamic Omnidirectional Interview Microphone (Black) with Long Handle/80Hz-13kHz

The world-reknown performance of legendary 635A/B is available in the long-handle 635L/B. Measuring 9.5", this extended handle length version delivers all of the sonic performance of the 635A/B, adding the virtues of a longer body length for ease-of-use, helping keep the reporter's hand out of the shot.

Features

- 9.5" total length
- Omnidirectional polar pattern
