

## **Electro-Voice PL37 Overhead microphone/Condenser/Cardioid/50-16000Hz**

The PL37 is a tight-cardioid condenser microphone designed to capture all the crisp detail of cymbals, high-hats and percussion instruments on stage or in the studio. The PL37 delivers the dialed-in tone and detailed response to percussive transients that professional drummers and sound system engineers require.

### **Features**

- Small diaphragm condenser
- Voiced for drum overheads, hi-hat, and acoustic stringed instruments
- Tight-mesh Memraflex™ grille
- Tight cardioid polar pattern
