

NTI e-ldt200-50 Liquid Detection Sensor (200ft Water Sensor Cable/50ft 2-Wire Cable)

Liquid Detection Sensor (200ft Water Sensor Cable/50ft 2-Wire Cable)

Features:

- For warning of flooding.
- 100% waterproof electronics.
- Detects any conductive liquid.
- Puddle: 0.6" diameter.
- Detects liquid depth >0.1".
- Available water sensor cable (x) lengths: 1/10/50/100/200/400/600/800/1000 feet.
- Available 2-wire cable (y) lengths: 5/10/20/50/100 feet.
- Regulatory approvals: CE, FCC, RoHS
