

## **Current Audio CS301FL 3 inch 2 Way/In-Ceiling/Coaxial/Infinite Baffle Loudspeaker with FastLoc Grille/Pair**

The easy to install CS301FL is a full-range ceiling loudspeaker that incorporates an Injection Molded Graphite woofer with a butyl rubber surround and Ferrofluid cooled titanium coated polycarbonate tweeter. The tweeter allows for deeper penetration into the room and concentrated sound to the sweet spot. This revolutionary combination provides superior and more natural sound for both foreground and background applications. The Infinite Baffle design makes it the ideal choice for typical applications in open beam attic or enclosed ceilings.

**Note: Sold as pair.**

This revolutionary combination provides superior and more natural sound for both foreground and background applications. The Infinite Baffle design makes it the ideal choice for typical applications in open beam attic or enclosed ceilings. The grille color is white, and is a close match to Frazee White Shadow 181. It can be painted to match any décor. The speaker enclosure is a durable UV-resistant material that allows for both indoor and outdoor installations. The perforated powder-coated aluminum alloy grill is long-lasting, corrosion resistant and rustfree. Four built-in expanding transverse dog leg clamps permit installation with or without pre-wire construction brackets in drywall or material with thickness of 7/32" to 1 3/16". Electrical connection, up to 12-gauge wire, is made by gold plated constant tension spring-loaded terminals.
