

Xantech DL85 Universal Dinky Link Standard Range IR Extender (Receiver) up to 80ft

LCD/CFL Proof Dinky Link IR Receiver.

These small IR receivers have been designed for mounting in very small spaces. They may be mounted under shelf edges, cabinet ledges, in-wall speakers, etc. – anywhere an inconspicuous appearance is desired. The high sensitivity of these receivers allows placement behind speaker grilles and still receive IR commands up to 80 feet away.

Features:

- Wire channel for clean installation.
- System testing red-talk-back LED.
- Includes 3-Terminal Block for easy extension to remote room locations.
