

Roland RRC-V1200 V-1200HD Mixer Combo Case (Black Series)

HEAVY-DUTY COMBO RACK FOR THE ROLAND V-1200H AND V-1200HDR

The RRC-V1200 is a convenient single-case solution for transporting the Roland V-1200H Multi-Format Video Switcher and companion V-1200HDR Control Surface. A tough, durable design features a rugged exterior and steel recessed hardware. The V-1200H mounts to the front rack rails, while the V-1200HDR sits securely in a custom-fitted area in the top of the case. Ideal for road use, the Roland Black Series provides the ultimate protection for your valuable gear.

Features:

- Heavy-duty grade recessed hardware
- Tongue and groove aluminum valances
- High-density foam lining
- Premium 3/8-inch plywood with rugged black vinyl laminate
