

## **Roland TD-30K-S V-Pro Electronic Drum Set with MDS-50K30 Stand**

### **THE DAWN OF SUPERNATURAL-POWERED V-DRUMS... PLAY, FEEL, BELIEVE!**

For over a decade, Roland's revolutionary V-Drums have lead the industry in expressive sound quality and incredible playability. With the introduction of the SuperNATURAL-powered TD-30K V-Pro Series, the electronic drum set reaches a new pinnacle in drumming performance. SuperNATURAL sounds with Behavior Modeling, along with advanced sensing technology, provides a new level of expressive sound quality and playability, resulting in an instrument that reacts and responds to all the subtleties, nuances, and dynamics of a drummer's technique. In addition, USB audio-playback functionality has been added to expand the performance palette. For the stage or for professional recording, the new V-Pro is truly a complete and natural drumming experience.

\*The original MDS-12V drum stand supplied with the TD-30K has now been replaced with the MDS-50K drum stand, complete with additional accessories for compatibility with TD-30K.

#### **Features:**

- Flagship V-Drums with advanced sensing technology and SuperNATURAL sounds
- Expressive and accurate playability produced by Behavior Modeling
- Professional V-Edit mode for customizing sounds
- Dedicated "Ambience" fader with new room-ambience and overhead-mic simulation
