

# Atlona AT14048 HDMI screw-lock male to DVI female adapter (5-INCH)

## Atlona HDMI screw-lock male to DVI female adapter (5-INCH). Model: AT14048

The Atlona HDMI screw-lock to DVI adapter designed to work with devices which has a threaded hole above the HDMI connector. Many Atlona devices do have that options: AT-HD-V44M; AT-HD-V42M, AT-HD-V24M, AT-HD-V22M, AT-HD570, AT-LINE-PRO4, AT-LINE-PRO5 and many others.

Most commercial applications require that the HDMI connector would be locked-in the source, in case someone pulls on the cable. The AT14048 is a perfect solution for it.
