

Electro-Voice RE3ACCCXU100 100ft/30.48m 50ohm Low Loss BNC Coax Cable

The RE3-ACC-CXU100 is an ultra-low loss, premium-grade, 100 foot coax cable for UHF wireless microphone systems. Its high-efficiency and low-attenuation characteristics make it ideal for system installations requiring lengthy cable runs between antennas and receivers.

Features

- Premium ultra-low-loss coax cable
- 50 ohm
- Robust male BNC connectors
