

## Electro-Voice RE3ACCCXU50 50ft/15.25m 50ohm Low Loss BNC Coax Cable

The RE3ACCCXU50 is an ultra-low loss, premium-grade, 50 foot coax cable for UHF wireless microphone systems. Its high-efficiency and low-attenuation characteristics make it ideal for system installations requiring lengthy cable runs between antennas and receivers.

### Features

- Premium ultra-low-loss coax cable
- 50 ohm
- Robust male BNC connectors
