

Atlona AT-COMPD-19S 1 Input 9 Output Component Video & Digital Audio CAT5 Distribution Amplifier (sender)

1x9 HDTV Component Video & Digital Audio CAT5 Distribution Amplifier (Transmitter) Receivers sold separately. Model: AT-COMPD-19S

The Atlona AT-COMPD-19S is a 1 in 9 out CAT5 distribution amplifier that allows transmission HDTV component video & digital audio over CAT 5 unshielded twisted pair (UTP) networking cable. This device is perfect for sending one video and audio source to multiple destination devices such as monitors, plasma, TVs... etc. This device is a transmitter only, which works in concert with up to 9 AT-COMP300R receiver units. This Distribution amplifier is designed to Distribute and extend component video from a single source to up to 9 Displays. This device is perfect for Digital Signage, and Sports bar applications. It is capable of transmitting 1080p signal 300 meters to multiple receiver units (the AT-COMP300R). The unit also features a "loop out" feature, for a local display, or to connect with another AT-COMPD-19S to allow an additional 9 outputs per additional unit.

Key Features:

- Extends and distributes one component video and digital audio to 9 HDTV displays.
- Extends video signals up to 300 meters (1000ft) over CAT5 cable
- Supports HDTV signal: 480i /480p/720p/1080i/1080p
- Works with AT-COMP300R as component video & digital audio CAT5 receiver at remote side.
- One loop output allows cascading connection between several units for additional displays.
- Ideal for movie theater lobbies, point of purchase displays, conference centers, airports and other applications that require multiple displays.

Technical Specifications:

- Unit Color: Black
- Video Distance: 480i/576i = 1000ft, 480P/576P = 600ft, 720P/1080i = 400ft
- Cat5 or Cat6 UTP compatible
- Shielded RJ45 jack
- Video Input (RCA Connector): Green color for Y, Blue color for Pb, Red color for Pr
- Audio Input: RCA and Optical
- Video Output (LOOP OUT): Green color for Y, Blue color for Pb, Red color for Pr
- Audio Output (LOOP OUT): RCA or Optical
- CAT5 Output: RJ45 x 9
- Power: 5 V/1.2A
- Impedence: Video 100 ohms Balanced, Audio 600 ohms Balanced
- Support Resolution: 480i /480p/720p/1080i /1080p
- Dimension W x H x D mm : 482x170X44 (1U)
- Weight: 5LB

Package Includes:

- AT-COMPD-19S Transmitter
- 1 x 5v power adapter
- Instruction Manual

Warranty:

3 year parts and labor
