Features:

Outdoor QLED TV ready for customizable possibilities.

Samsung's Pro TV Terrace Edition offers an ultra-bright, outdoor, 4K QLED resolution display with an IP55 weatherproof rating and an easy to use content app.

Samsung Pro TV Terrace Edition:

An outdoor 4K QLED TV ready for customizable possibilities

An outdoor display with brilliant resolution

With a 4K QLED display and 1,500 nits of brightness optimized for the outdoors, your business can entertain and inform no matter the location.

Enjoy TV, outside

Bring stunning beauty to the great outdoors. The Samsung Pro TV Terrace Edition, designed for shaded outdoor environments, offers an IP55 weatherproof rating¹ so guests outside can enjoy the same entertainment and messaging as guests inside.

Customize your content

With more than 100 pre-loaded templates and remote content management, you push content to your fleet of TVs that's customized for your outdoor space.

Outdoor optimized 4K QLED picture

Experience vivid picture quality in outdoor spaces with QLED 4K display technology. The Quantum 4K processor delivers 4K resolution, while 4K AI upscaling offers crisp definition regardless of input source. Quantum HDR 32X sets the new standard for incredible detail and brightness.

A TV designed to enjoy outside with an IP55 weatherproof rating

The Pro TV Terrace Edition is your year-round business solution for outdoor entertainment. No matter the season, its IP55 weatherproof rating delivers perfect performance and protection from the outdoor elements including water, humidity, dust and heat.
